Dear Student/Parent/Guardian

Online Learning at www.samlearning.com

Heart of England School subscribes to SAM Learning, a top quality on-line learning service that can be used at home and at school. You can access SAM Learning from the link above or via the school Website/Extranet using your login details as outlined below.

I encourage your son/daughter to look at this learning tool, as many will be directed to it as part of their homework and revision tasks. Evidence shows that students who use SAM Learning for as little as 10 hours have shown a measurable rise in their achievements at Key Stage 3 and 4.

SAM Learning usually costs home users £100 per year, but you have full use of this service totally free of charge. It's an ideal opportunity for students to take a break from textbooks and experience Internet based learning instead

Your login details are as follows:

School ID	CV7HO
User ID	Date of birth followed by two initials; first name then last name. Example: 010885DJ is the User ID for David Jones born 1st Aug 1985.
Password	Initially same as User ID, you should change your password as soon as you login.

I hope you will take full advantage of this service and if you experience any difficulties please do not hesitate to contact me.

Yours sincerely

Mr D Evetts
